Vice President Ken Shatzer called the meeting to order at 7:00PM.

Reading of the treasurer's report was deferred

Kids fishing day is May 6th at the Clear Lake military resort. Anyone is welcome to volunteer. The event starts at 7:00am and lasts all day. Last year there were nearly 700 kids in our shift. Rods and reels were prepared last week but only two people from the SWC were there since it was never posted.

Fishing Reports

Greg fished the 7 bays area twice and has not found any fishing heading into the arm yet. Found fish off main lake points in 50 fow. Should start seeing fish movement soon with warming temps.

Mark Bodine fished 3 days and caught 3 Walleyes on worm harnesses, smile blades, and lures.

Spokane Walleye Club

General Meeting Minutes

The club fish day will be March 29 at 7 bays. Launch at 8:00am and VHF channel 68 is the club channel.

A club work day is scheduled for June 3rd at 10:00am. Goals are to clean and organize the shed and clean up the SWC BHS booth.

Stan Judd handed out gifts to first year members

Tonight marks the clubs first online Zoom presentation. This will allow members that are out of the area or not able to get to the meeting the ability to view and participate.

Guest Presentation

Aaron Dickerson from Marks Marine gave a great presentation on modern marine electronics. The presentation focused on products from Lowrance and Garmin but Humminbird was also discussed. There was information regarding installation, power requirements, and optional settings for each of the platforms discussed.

The monthly 50/50 drawing was held and the meeting was adjourned.
