We are working to set up an online calendar for the entire year. We are trying to have this ready by the first week of February.

The Big Horn Show is coming up March 14-17 and we will need a lot of help to make it a success. Watch for signups on the club's website. We will be limiting it to 4 members per 2 hour block to more evenly spread the booth coverage. Remember, you get free admittance to the show if you volunteer.

The meeting after the Big Horn Show is our annual Walleye seminar where we have two speakers and hands-on demonstrations. This has been very well attended and we can use club members help to make this a success.

Mike Meseberg from MarDon Resort passed away in December. George and Chuck attended Mikes funeral and said there were many attendees. Mike worked tirelessly to provide great hunting and fishing opportunities in Central Washington and will be greatly missed.

George gave a shout out to long time member Lonnie Krebs who was in attendance.

There were 2 new members in attendance – Dan and Shirley Yates
