Treasurer's Report

None. Refer to last month's and next month's reports.

There was no board meeting. This membership meeting was held at our annual spring campout and picnic. The weather was perfect. Ken did a fine job of conducting this meeting (his first) in Doug's absence.

The campout and picnic were well attended and we had several guests from the Lake Roosevelt Walleye Club.

Allan Walker did a fine job of conducting our fundraising raffle. Again, our sincere thanks to Mrs. Henrichs for her generous donation of Sam's fishing gear for this raffle.

Fishing Reports

Later in the day, Allen Walker caught twenty Walleye and Ken Lofquist and Travis Scholten caught fifteen in the Kettle River. Ken also caught a 42" Sturgeon (location unknown). Several other members also caught Walleye at unknown locations.

Spring Picnic Weekend

Periodic discussions have been ongoing among the membership about changing the dates of this event due to its conflict with Father's Day and the crush of Sturgeon fishers on this weekend (the start of that season). As was the case last year, the boat ramps were congested and the parking lots were full.

A motion was made and seconded to move our picnic back one week to avoid these conflicts. The motion carried unanimously. Next year's campout and picnic will be held on June 4-8, 2020, at the same location.

Cooking Apron — Passing the Torch

Mike O'Donnell passed on his SWC cooking apron to Travis Scholten. *Thanks for all of your great cooking at the picnics over the years, Mike!*
