---

Tonight was our annual barbecue and potluck dinner. The food was very good and, as usual, Tom Fischer did an outstanding job cooking. *Thank you Tom!*

As is our practice, we had no guest speaker tonight.

#### Guests

Gene & Jo Ott visited and are considering joining. *Welcome!*

#### 2019 Christmas / Awards Banquet Luncheon

The luncheon will be held on Sunday, December 1<sup>st</sup> at 1:00 PM Players & Spectators in Spokane Valley. The menu choices are Salmon or Prime Rib at \$26.99 each (a \$2 increase from the last quote, but desert will now be included). **A head count is needed and members and guests should contact Greg Koch with their RSVP at their earliest opportunity. The deadline for RSVPs is October 31<sup>st</sup>. Members attending who have not submitted an RSVP will have to order from the menu.**

RSVP slips will be distributed at the general membership meeting tonight. Greg will also post this information on the club website and will send a group e-mail to club members who have provided an e-mail address.

*Thanks again to Brad for all his work and research on this.*

#### Fishing Reports

Travis Scholten has been fishing the Snake River the past several weekends and has been very successful. He has been fishing at 17-25' using Flicker Minnows, Walleye Runners, and Bandits. Members see him for further details.

Ken Lofquist fished at Ft. Spokane today and was very successful, boating 35 Walleye in four hours!

Brad Tufto recently fished (not for Walleye) at the Kenai River in Alaska and was also very successful.

#### Sunshine Report

At last news, Sharon Blume was continuing to improve and is now walking. There is no current update.

At last news, Linda Allen was continuing to improve. There is no current update.

George Allen is on the mend from his recent heart surgery as is Lynn Logman from her recent knee replacement surgery.

*All good news!*

#### By-Law Review

Mark circulated four hard copies of the proposed By-Law revisions among the members tonight to satisfy the second reading requirement prior to voting. The membership voted to postpone this reading until next month's regular meeting.

#### Fall Campout — September 5-9, 2019 at Texas Rapids

There is no cost to camp, launch, or dock here. The nearby KOA campground is also available for club members at a 10% discount, for those who prefer hook-ups, which Texas Rapids does not have.

The weather forecast is for hot temperatures.

#### Business Cards

Ken Shatzer reminded everyone that our business cards are available at the entryway table and encouraged members to take some to give to potential guests and members. They contain all the pertinent information as to the meetings and our website.
