Treasurer's Report

This year we have spent \$1,402.20 more than we have brought in. This is due to no membership dues being collected for 2021 because dues were collected in 2020, but due to Covid there were no club functions, hence the 2020 dues were carried over for 2021. Also, we've had no fundraising events. We are able to easily absorb this loss due to our more than adequate reserves.

Checking	Project	Club	Total
\$180.00	\$13,138.51	\$10,003.39	\$23,321.57

Tonight was our annual BBQ and pot luck, which was very well attended. *Thanks to all for their culinary skills and delicious dishes that you brought!*

New Members and Guests

We had about three guests but I could not hear their names, sorry.

Welcome!

Fishing Reports

Mike O'Donnell had good results recently at Banks Lake with a 24", 22" and some 14-16" Walleye caught. He was using orange beads and a smiley blade at the "rosebud hazard" area.

Smiley reported that the water level at Potholes Reservoir is very low.

Tournament Trailer

George Allen reported that he had recently been talking with three potential buyers, however no offers have been received yet.

Fall Campout — Fort Spokane, September 9-14, 2021

Check-in will be at 1:00 PM on Thursday, September 9th and check-out will be at noon on Tuesday, September 14th. The campground map and directions are posted on our website.

The format will be the same as in past years.

We will have the usual informal club fishing contest, which will be between 8:00 AM and 2:00 PM on Saturday. The awards will be at 2:30 PM for biggest fish and biggest three-fish bag.
